

CORDUROY'S BUSY STREET

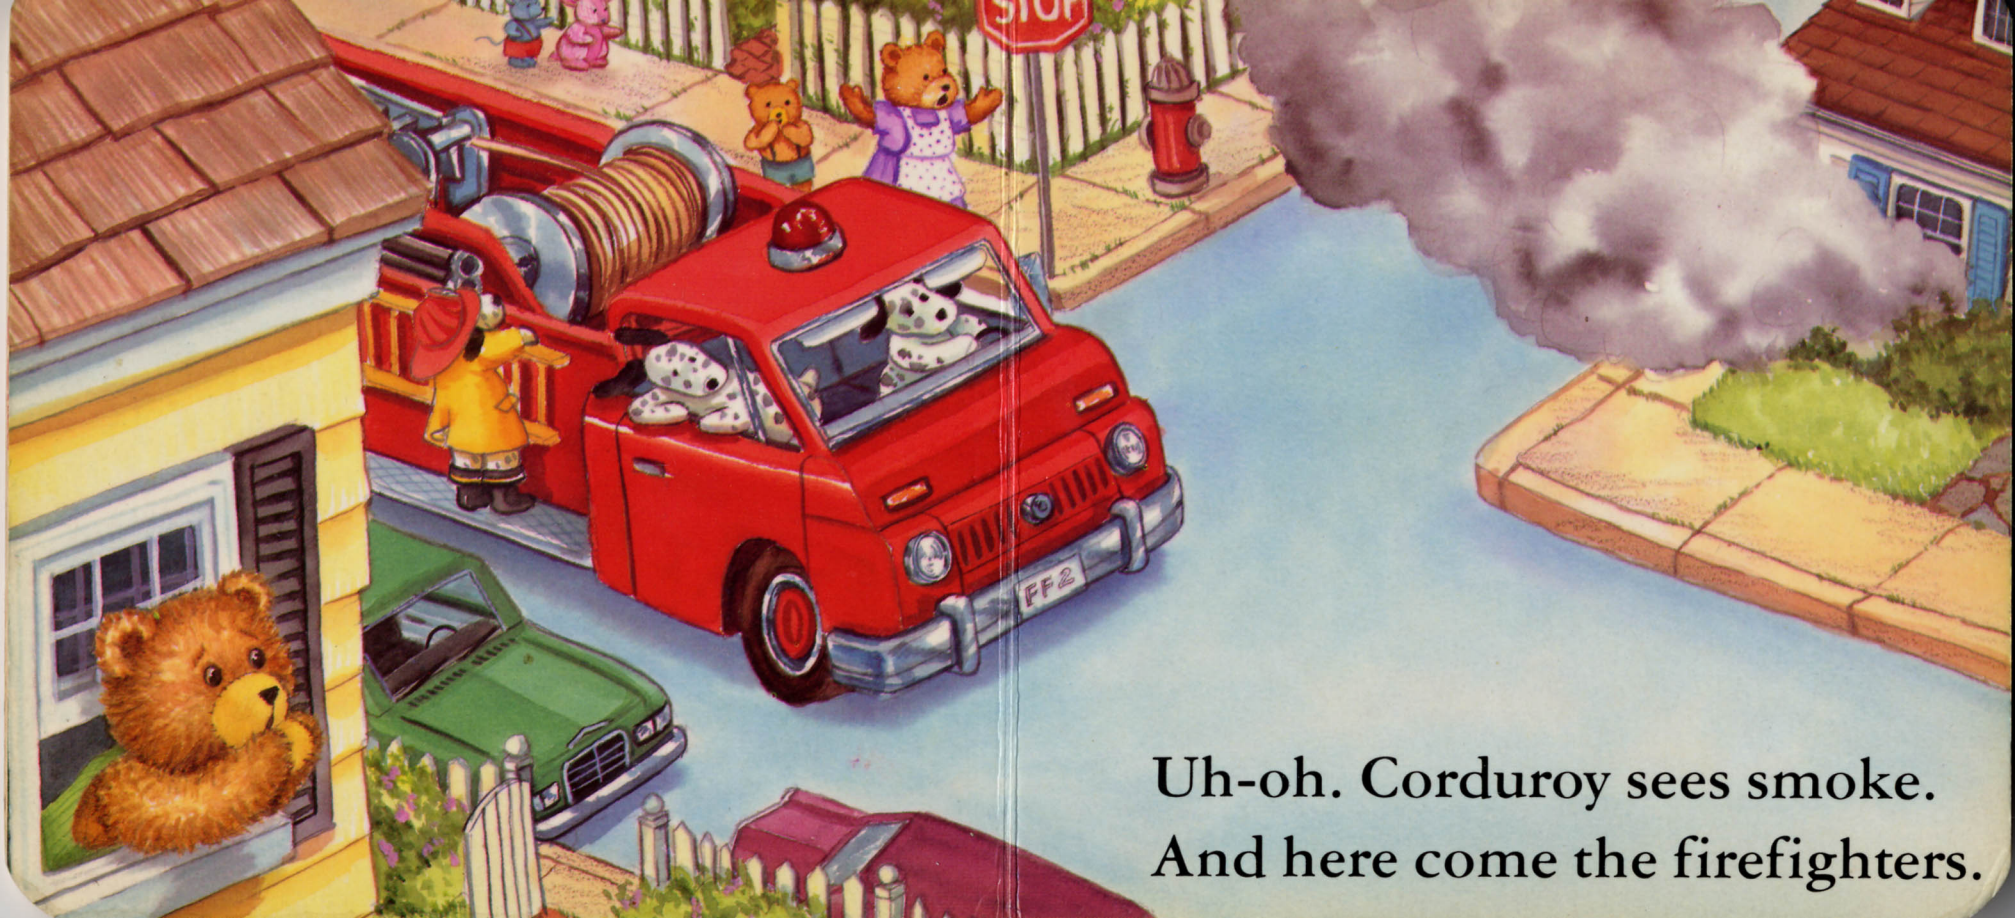

Corduroy lives on a busy street.
Here is the letter carrier
bringing Corduroy a letter.

The garbage collector comes
to take away everyone's garbage
in a big truck.

Uh-oh. Corduroy sees smoke.
And here come the firefighters.

The policeman helps Corduroy cross the street. Corduroy never crosses by himself.

The paper girl delivers Corduroy's newspaper.

Corduroy and his friends
play all afternoon.

Don't step on the line,
Corduroy.

Corduroy hears the bell
and he and his friends run to
meet the ice cream truck.
